REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Regulation: 900 KAR 6:060

Contact Person: Carrie Banahan or Shane O'Donley, 564-9592

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the Cabinet's timetable for submission of certificate of need applications. The amendment to this administrative regulation will recognize the creation of an additional licensure category pursuant to 902 KAR 20:400 titled Limited Services Clinics.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to comply with the content of the authorizing statute, KRS 216B.010, 216B.062 and 216B.990.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of KRS 216B.010, 216B.062 and 216B.990 by establishing the timetable for submission of certificate of need applications.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of KRS 216B.010, 216B.062, and 216B.990 by establishing the timetables for submission of certificate of need applications.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment will assign Certificate of Need applications to establish limited services clinics to a specific CON application batching cycle.

(b) The necessity of the amendment to this administrative regulation: The Office of the Inspector General filed an administrative regulation which creates a new licensure category. Since this category of service is not exempt by statute from CON requirements, the Office of Health Policy must assign this facility category to an appropriate batching cycle schedule. This amendment accomplishes that requirement.

(c) How the amendment conforms to the content of the authorizing statutes: Pursuant to KRS 216B.062, applications for certificates of need shall be submitted according to timetables established by the cabinet by promulgation of administrative regulation, pursuant to the provisions of KRS Chapter 13A.

(d) How the amendment will assist in the effective administration of the statutes: Promulgation of this amended administrative regulation under KRS Chapter 13A shall establish an appropriate batching cycle to assure that applications for limited services clinics will be eligible for consideration at set intervals.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This administrative regulation affects an entity wishing to file a certificate of need application to establish a

limited services clinic.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: As the timetables set forth in the administrative regulation are currently established and operational, no new action will be required for regulated entities to comply with this regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): As the timetables set forth in the administrative regulation are currently established and operational, no cost will be incurred by regulated entities to comply with this regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This administrative regulation will provide potential health care providers with a mechanism to establish limited services clinics in compliance with KRS 216B.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No additional costs will be incurred to implement this regulation as we already utilize these timetables as part of our normal operations.

(b) On a continuing basis: No additional costs will be incurred to implement this regulation on a continuing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The source of funding to be used for the implementation and enforcement of this administrative regulation will be from Office of Health Policy's existing budget. As stated above, the timetables are already used as part of our normal operations so no additional funding will be required.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change if it is an amendment: No increase in fees or funding will be necessary to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish or increase any fees.

(9) TIERING: Is tiering applied? (explain why or why not) Tiering is not applicable as compliance with this administrative regulation applies equally to all individuals or entities regulated by it.
